

## Template Participant Information Sheet

### Feedback for using Tomeo Demo

*'You are being invited to take part in a test use of a video player demo version. Before you decide it is important for you to understand why the research is being done and what it will involve. Please take time to read the following information carefully and discuss it with others if you wish. Ask us if there is anything that is not clear or if you would like more information. Take time to decide whether or not you wish to take part.'*

### Purpose

The survey will help the team develop a better accessible application.

### Why have I been chosen?

You are chosen randomly, so feel free to refuse.

### Do I have to take part?

*'It is up to you to decide whether or not to take part. If you do decide to take part you will be given this information sheet to keep (and be asked to sign a consent form) and you can still withdraw at any time without it affecting any benefits that you are entitled to in any way. You do not have to give a reason.'*

### What do I have to do? / What will happen to me if I take part?

You only need to use the application once and give us your honest view.

You can download the application from our website and run it in your computer.

After running the application, send us an e-mail with the completed form.

### Possible Risk

This process should be safe, however if you have any physical or mental concerns, please ask your doctor for advice at the first place.

### Possible Benefits

*'Whilst there are no immediate benefits for those people participating in the project, it is hoped that this work will help us create a good software for people around the world'*

### Use, dissemination and storage of research data

All data collected in this research will only be used in evaluating our application. They will be kept until the software finished then destroyed.

### What will happen to my personal information?

We won't ask you for any personal information.

### What will happen to the results of the research project?

*'All the contact information that we collect about you during the course of the research will be kept strictly confidential and will stored separately from the research data. We will take steps wherever possible to anonymise the research data so that you will not be identified in any reports or publications'*

**What type of information will be sought from me and why is the collection of this information relevant for achieving the research project's objectives?**

Your opinions on the application's visual styling and functional features will be asked. These data are crucial for us to make changes and improvements.

**Who is organising/ funding the research?**

The research is ran by an indie group.

**Contact for further information**

Feel free to contact the team for further information by [testteamAlpha@gmail.com](mailto:testteamAlpha@gmail.com).

**Finally ...**

The participant will be given a copy of the information sheet and a signed consent form to keep.

Thank you for your participation.
